What the Newspaper Boys Say About the Coming Contest.

Ripley (G.) Bee.  
Mr. Thomas A. Davis, Editor of THE MAYSVILLE DAILY LEDGER, is being urged by his friends as a candidate for State Commander of the G. A. R. of Kentucky. Bro. Davis is well equipped for the position, and we know of no one more entitled to it by reason of labors in behalf of the old soldier.

Broken Chronicle.  
Joseph Heiser Post, Maysville, has placed the name of Thomas A. Davis to the front as a candidate for Commander of the G. A. R., Department of Kentucky. Bro. Davis was a valiant soldier in the cause of the Union at the time it tried the souls of men. He was also the chief promoter of the erecting of the elegant Soldiers' Monument in the cemetery at Maysville.

Two doses of the well known August Flower will relieve you at once. Go to J. J. Wood & Son, Maysville, and get a sample bottle free. Regular size 75 cents. Get Green's Price Almanac.

# A Custom of the Ages

Is that on Easter Day the beautiful shall predominate, for it is the outward manifestation of an inward beauty testifying of a universal sentiment of gladness and good will.

In none of the departments of beautifying on this day is there such marked effort as in personal adornment.

Ordinarily, the effect sought to be produced is not the gaudy nor the elaborate, but correct or rather the esthetic in personal costuming.

In order to produce this triumph effectively one of the most necessary and even indispensable factors is the neat and dressy shoe.

Without this the otherwise most tastefully appareled man or well-gowned woman utterly fails of the effect sought, and disappointment, at the least, follows.

It affords us pleasure to be able to announce, at the approach of the Easter occasion, that there need be no apprehension concerning proper and elegant footcovering; it may be found in unlimited variety, at prices lower than ever known FOR CASH, at the Closing Assignee's Sale of
